BIOGRAPHY

I'm 34 years old web developer and product creator from the cozy streets of Montreal. I have two strong years of work experience in digital agency and freelance projects. I love traveling, playing guitar, spend time with friends as much as my career. For me, developing websites is not a job but a passion.

EXPERIENCE

FRONT END WEB DEVELOPER

Anekdotes Comm. | Nov 2017 - Jul 2019

As a front end developer & integrator, my main tasks were the integration of mock-ups, SEO, maintenance and much more.

FRONT END WEB DEVELOPER - INTERNSHIP

Anekdotes Comm. | Sep 2017 - Nov 2017

My first internship in a web & marketing agency. They hired me due to my continuous learning process and personality.

TRAVEL AND WORK ABROAD

Several Positions | Oct 2012 - Oct 2015

Around the world, I worked several positions especially in hospitality, barista and english teacher.

EDUCATION

WEB DEVELOPMENT - ONLINE COURSES

Udemy | Sep 2017 - Now

Being an autodidact, I took online courses during my spare time. Like React, VueJS, Vanilla JavaScript, etc.
